

SureFast SnapTracker

The SnapTracker Bolt Seal is a barrier seal, designed for securing high-value cargo. A solid steel bolt provides strength while a molded plastic coating provides tamper-evidence.

Applications

- Container Door Latches
- Trailer Door Latches

Features

- ISO 17712: 2013 classification - High Security
- Large flag on both the bolt and body allows laser printed information to be easily read
- Both parts are numbered to prevent fraud by replacement of either bolt or body
- Parts come attached in a unique package for ease of use and accurate tracking of numbers
- Interlocking joint to protect against tampering

Materials

Body: ABS Plastic with Steel Insert
Bolt: Steel with Plastic Cover

Strength Characteristics

3000 lbs/1360kg

Dimensions

Bolt Diameter: 0.45" (11.3mm)
Operational Length: 2.5 (63.5mm)

The SnapTracker is C-TPAT Compliant and meets the standard for a High Security Seal as outlined in the ISO 17712:2013 specifications.

Laser Print options available: Name, logo, consecutive numbers, barcode.
